Dear Mr. Jefcoat:

Inclosed herewith is a picture of the United States Military Cemetery Brookwood, England, in which your son, the late Private Aubrey S. Jefcoat, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Dear Mr. Jafcomt:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the humored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Dear Mrs. Jefcoat:

Your letter concerning your son, the late Private Audrey B. Jefcoat, has been received in this office.

The official Report of Burial discloses that the remains of your son were interred in Plot F, Row 4, Grave 4, in the United States Military Cemetery Brookwood, located thirty miles southeast of London, England.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a letter with an information pamphlet and a "Request for Disposition" form attached will be sent to the next of kin of those American dead. The "Request for Disposition" form, when properly filled out, will constitute the formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when these forms will be mailed. Responses to them will be acted upon with a minimum of delay.

The Secretary of War, pursuant to the authority given him in Section 4, Public Law 363, 79th Congress, has established an order of priority among the next of kin in which their desires concerning the disposition of decedent's remains will be honored. In the instant case, if your son's widow has remarried, it is requested that you forward to this office a certified copy of her marriage certificate,
